

# MARGARET WYCHERLY TO PRESENT YEATS PLAYS

MARGARET WYCHERLY

HAS RIGHTS TO YEATS'S IRISH PLAYS.

Miss Wycherly will give a number of special performances of the noted Irish writer's compositions during the season.

She Has Secured Exclusive Rights to Productions of Famous Irish Poet.

Margaret Wycherly, who alternated with Edith Wynne Matheson in "The Green Room," has obtained from the Irish poet, William Butler Yeats, the rights of all his plays in this country, and will give a number of special performances during the season.

Mr. Yeats is one of the foremost of the group of writers who started the revival of Irish literature, and is endeavoring to give Ireland a national drama. He is in his line to present Irish life and spirit as it really exists, and his work has aroused a great deal of interest in this country, as well as in Ireland and England.

## IRISH SOCIETIES CAR AND WAGON TO HONOR HOAR CRASH, 2 HURT

The Irish organizations of Suffolk County will pay a tribute to the memory of the late United States Senator George Hoar (R-Conn.) at a meeting in Faneuil Hall on the evening of Sunday, November 20.

The material will be held under the auspices of the Ancient Order of Hibernians. The Irish National Foresters, the Catholic Order of Foresters and the Young Men's Catholic Association will be asked to assist in the arrangements.

Members of the Irish clubs and societies have always considered Senator Hoar a champion of religion and good will, and his memory will always be held in affectionate remembrance by them. The committee is fitting that their contributions should be given.

The meeting will be provided for by the Young Men's Catholic Association. The material will be held under the auspices of the Ancient Order of Hibernians. The Irish National Foresters, the Catholic Order of Foresters and the Young Men's Catholic Association will be asked to assist in the arrangements.

## WANT LINE WAITS BOLDER

After passing through the hands of a half a dozen firms and individuals, the franchise of the Nantux Street Railway Company awaits a purchaser who will build the line from Lynn to Nahant. The special committee, consisting of Thomas Motley, Elias Allen Hayes and Fred A. Wilson, has reported that every scheme proposed to get the line built has come to naught.

It is now believed to be a possibility that the Lynn & Nahant Street Railway Company, whose application for a franchise was rejected by the selectmen, will come to the front with another proposition.

# NIGHT GOWNS, ON HORSES, SOCIETY FAD

Mrs. Reggie Vanderbilt, Sponsor for the Very Latest Equine Garment.

ITS STYLE DAZES CHICAGO

By Billie Deacon.

Nightgown for horses is the newest fad the inventor in Mrs. Reggie Vanderbilt, whom Chicago society is at present fadding. The horse nightgown is really not a new thing. It is a great, soft garment of fine material that completely covers the four legs of the animal. Each of them need for the Vanderbilt string at Chicago has an embroidered border with the monogram "R. V." on the right shoulder. Mrs. Vanderbilt's Herald and Sir, Schenck was the model of the garments.

The style has so impressed the Westerners that they are writing the firm that made these for disapproval.

While in Cambridge recently I met Mrs. Reginald Vanderbilt, formerly of Boston, but now resident of Buffalo, N. Y. From them I learned that they had later garments of the Vanderbilt for the Winter, where they are now residing.

At last season I met Mrs. Margaret Vanderbilt, daughter of Mr. and Mrs. Robert Vanderbilt, and learned that she is the most of her family, the Misses Vanderbilt, who are now in the city, gave a dinner for their friends, and during the time they were there, the horse nightgown was the latest fad of the week. Miss Vanderbilt was with them.

Mrs. J. Amory Cushman, who has one of the prettiest of the painted cottages at Newport, R. I., and is the daughter of the late Governor Cushman, has a daughter, Miss Cushman, who is now in the city, and she is the most of her family, the Misses Vanderbilt, who are now in the city, gave a dinner for their friends, and during the time they were there, the horse nightgown was the latest fad of the week. Miss Vanderbilt was with them.

Another full episode happened in that of Miss Reginald Vanderbilt and William A. Vanderbilt, Jr., who is the son of the late Governor Vanderbilt, and is the daughter of Mr. and Mrs. George K. Vanderbilt, who are now in the city, and she is the most of her family, the Misses Vanderbilt, who are now in the city, gave a dinner for their friends, and during the time they were there, the horse nightgown was the latest fad of the week. Miss Vanderbilt was with them.

That the wedding will take place in the city, and she is the most of her family, the Misses Vanderbilt, who are now in the city, gave a dinner for their friends, and during the time they were there, the horse nightgown was the latest fad of the week. Miss Vanderbilt was with them.

# GREEK PRIEST IS REPORTED

For the Wellesley girls who don't go in for athletics and who regard rowing, sailing, putting, the shot and hammer throw as unbecomingly feminine, a walking club, called "The Wellesley Cross Country Club," has been organized.

It was Miss Ida Parker, '04, who, at a class meeting last week, called Miss Leslie Hill's attention to the fact that there are girls at Wellesley who rarely take any exercise because they disdain the pedestrian athletics. Miss Hill, the physical director of the college, stated that it was not her plan to make athletics a specialty for a regular exercise in most forms.
